Weekly performance-based rewards.

02

15-DAY REWARDS

Special rewards for consistent participation and growth.

03

30-DAY REWARDS

Monthly bonus rewards for top-performing community members.

AUTOMATED ON-CHAIN REWARDS

Eligible rewards will be distributed directly to the recipient's registered wallet address through an automated smart contract, subject to the applicable eligibility criteria and reward allocation rules.

Perform. Participate. Earn. Grow Together.

DEVELOPMENT REWARDS

Performance-Based Incentives • Community Growth • On-Chain Distribution

The **Development Rewards Program** recognizes active contributors who support contract promotion, organize community meetings, build strong teams, and perform other approved promotional activities.

HOW IT WORKS

01

Performance-Based Rewards

Eligible users may receive incentives based on their contributions, team performance, and approved activities.

02

Expense Support

Rewards may help cover approved promotional expenses, meetings, and other minor operational costs.

03

Submit Activity Details

Users must submit the required information and supporting details through their User Dashboard.

04

Automated Smart Contract Distribution

Once eligibility and reward allocation are validated, the approved reward amount will be automatically credited to the user's connected wallet through the smart contract.

TARGET REWARDS

Goal-Based Incentives • Performance Milestones • Automated Smart Contract Distribution

The **Target Rewards Program** motivates community members to achieve predefined company goals and complete assigned tasks within specified timeframes.

HOW IT WORKS

01

Weekly Targets

Complete designated goals or tasks within a weekly cycle.

02

15-Day Targets

Achieve assigned milestones during a half-month period.

03

Monthly Targets

Meet monthly performance objectives set by the company.

04

Target Visibility

All target details, eligibility criteria, deadlines, and reward allocations will be displayed in your User Dashboard.

05

Automated Reward Distribution

Upon successful completion and validation of the applicable targets, the smart contract will automatically credit the approved reward amount to your connected wallet.

Set Goals. Achieve Targets. Unlock Rewards.
